The North Carolina Christian community has begun to realize that mustering and marshaling parishioners to register to vote and then to vote for their Biblical values is a good thing. That's what Citizen Sunday is all about. Please scan the QR Code image and make sure you are registered to vote in the upcoming elections in March of 2024. This is Christian Citizenship 101

If the most important thing is winning people to Christ, notes Christian historian Bill Federer, it makes perfect sense to attempt to preserve the freedom to do the most important thing.

Two distinct religions are vying for control over the public square in America -- Christianity and secularism. The immutable former and the ever-changing latter cannot coexist; one will ultimately go down as a consequence of the elevation of the other. Your vote is your voice in the public square, please make sure you are registered to vote!
